To all parties:

David, you asked whether you could respond on March 2, 2022, to the request for information. I am aware of no problem to your responding by March 2, 2022, but also wanted to mention the Commission will not be able to set the matter for Commission action until we receive the requested information. As you will note on the Commission's website, the next three regularly scheduled business meetings are set for March 10, 24, and 31. Thank you, Sharon
